Form 990, Part III, Line 4d, Other Program Services:

Central Appalachian Network

The Central Appalachian Network (CAN)'s mission is to develop and
deploy economic strategies that build wealth in local communities,
conserve natural and cultural resources, and empower marginalized
communities. CAN works in collaboration across sectors, partnering with
other non-profits, community groups, funders, educational institutions,
local government, and private business. CAN actively pursues economic
transition in Central Appalachian communities through a variety of
economic sectors and market-based strategies.

Appalachia Funders Network

The Appalachia Funders Network (AFN) consists of member organizations
who believe that their participation in the Network is helping to
further their mission and deepen their impact. The purpose of AFN is to
accelerate an equitable Appalachian transition by convening and
connecting funders for learning, analysis and collaboration. AFN's
seven groups aim to build community capacity, leverage resources into
the region, explore equity, advance food and agriculture systems,
promote clean energy and protect natural resources, revitalize

downtowns, celebrate arts, and support a culture of health. Mountain Association serves as fiscal sponsor for AFN.

Energy Programs

Mountain Association's clean energy programs fall under two primary programs, How\$martKY and Energy Efficient Enterprises. How\$martKY is a residential energy efficiency program that we run in partnership with distribution cooperatives from the East Kentucky Power Cooperative system, working to create more affordable, comfortable, durable and healthy housing through education, workshops, audits, and help accessing utility programs. Energy Efficient Enterprises helps businesses, nonprofits, and other enterprises identify how they're using energy and where opportunities for efficiency and cost savings may exist.

General Community Development

Historically, Mountain Association has provided administrative support services to and has maintained a joint employer relationship with several small nonprofits whose mission closely aligns with Mountain Association's. Currently Mountain Association provides these services to Kentucky Natural Lands Trust (KNLT) and Kentucky Center for Economic Policy (KY Policy) beginning in December 2020. KNLT is a nonprofit conservation organization working to secure funds to protect natural lands and provide for their long-term stewardship. KY Policy produces sound credible research to Kentuckians around complex issues such as public investments, taxes, education, criminal justice, health care,

Expenses \$ 1,539,795. including grants of \$ 295,000. Revenue \$ 212,293.

Form 990, Part VI, Section B, line 11b:

The first level of review of the Form 990 is by Mountain Association's Chief Financial Officer, who provides the preparer with the information for the return and works closely with the preparer to ensure its accuracy and completeness. The President reviews the form before signing it. The board's finance committee also reviews the Form 990. Following the finance committee review, the Form 990 is distributed to the board electronically before it is submitted to the IRS.

Form 990, Part VI, Section B, Line 12c:

The Mountain Association bylaws include a conflict of interest policy that specifies conflicts of interest to be avoided. The board of directors may make exceptions to the policy in specific cases when the situation is fully disclosed to them.

A provision of the conflict of interest policy is that each director, officer and employee must receive, sign and return a copy of a summary of the conflict of interest policy. Annually, Mountain Association board members and employees sign the summary anew, affirming that they have read and understand the policy.

As part of the annual audit process, board members and other related parties fill out a related party questionnaire on which they report any interests and transactions that could give risk to conflicts of interest. Any conflicts of interest are disclosed as part of the audited financial

statements.

Form 990, Part VI, Section B, Line 15:

Annually, the Mountain Association president is evaluated through a process guided by the board executive committee, composed of the board officers (chair, vice-chair, board treasurer and board secretary). The executive committee reports its findings to the board in closed session. After considering the committee's report, the board sets the President's compensation for the following year. The board takes into account compensation levels reported on Forms 990 for the CEOs of three to five comparable organizations as well as its knowledge of compensation of positions in the private and nonprofit sectors with comparable levels of responsibility, qualifications and achievement. The President does not participate in or vote on the decision on the President's compensation. The board's decision on compensation is recorded in minutes which are presented and approved at the following board meeting. This process last took place in January 2021.

The president determines the compensation of other staff, including those who serve as corporate officers, following an annual performance review of each staff member. Along with considerations of equity among staff, the president takes into account compensation levels reported on Forms 990 for officer positions in three to five comparable organizations and his knowledge of compensation of positions in the private and nonprofit sectors with comparable levels of responsibility, qualifications and achievement. Every change in a staff salary is documented in a letter to the staff member.
